

Larson Laboratories, Inc.
dba Vetline, Inc.
424 John Deer Road, Fort Collins, Colorado, 80524 1-800-962-4554/ 970-484-1900

MATERIAL SAFETY DATA SHEET

Section 1: Product and Company Identification

Product Name: Xterra
Chemical Family: Natural product (herbal)
Chemical Name: Bloodroot (Sanquinaria Canadensis)
Formula: Paste

Section 2: Composition/Ingredient Information

HAZARDOUS INGREDIENTS: None
Ingredient Name: Bloodroot Exposure Limits: None known
Zinc Chloride
H2O

Section 3: Hazards Identification

Routes of Entry: Skin Absorption, Skin Contact
Human Effects:
Skin Hazards: May react to abnormal skin cells.
Will not harm normal skin or membranes
Eye Hazards: May cause slight stinging, otherwise will not harm
eye
Ingestion Hazards: May cause slight stomach upset, not typical
Exposure Hazards: None known
Carcinogenic Components: None

Section 4: First Aid Measures

First Aid for Eye: If stinging occurs, rinse well with water. Product will not
harm normal eye tissue
First Aid for Skin: If product contacts skin, even broken skin, it will not harm
normal skin cells. Rinse with water

Section 5: Fire Fighting Measures

N/A

Section 6: Accidental Release Measure

Clothing, counter surfaces, etc. May stain. Clean with soap and water

Section 7: Handling and Storage

Storage Temperature: Room temperature
Shelf Life: Indefinite
Special Sensitivity: Keep from drying out, if occurs, add water

Section 8: Exposure Controls/Personal Protection

Eye Protection Requirements: Glasses or safety goggles optional
Skin Protection Requirements: Gloves optional
Ventilation Requirements: None required

Section 9: Physical and Chemical Properties

Physical Form: Paste

Color:	Dark reddish brown
Odor:	Slight, herbal
Ph:	Neutral to alkaline
Boiling Point:	Not established
Melting/freezing pt:	Not established
H2O Solubility:	Soluble
Specific Gravity:	Not established
Bulk Density:	Not established
Vapor Pressure:	Not established

Section 10: Stability and Reactivity

Stability:	Stable
Substances to avoid:	None known
Conditions to avoid:	Protect from drying out

Section 11: Toxicological Information

Oral toxicity:	None
Dermal toxicity:	None
Inhalation toxicity:	N/A
Eye Irritation:	Potentially irritating
Skin Irritation:	Potentially irritating
Sensitization:	Non-sensitizer
Repeated dose toxicity:	None
Reproductive/Fertility toxicity:	None

Section 12: Ecological Information

N/A

Section 13: Disposal considerations

Waste Disposal Method:	Follow existing federal, state and local guidelines
------------------------	---

Section 14: Transportation Information

Special considerations:	Protect from breaking
-------------------------	-----------------------

Section 15: Regulatory Information

United States Federal Regulations – Rated: Herbal

Section 16: Other Information
