

NEW ProHepatic™

Liver Support Formula for Dogs and Cats

ProHepatic™ is a potent antioxidant formulation that provides liver function support and protection. The main ingredient is Siliphos®, which is an exclusive complex of silybin, the main active constituent of milk thistle, and phosphatidylcholine.

- **Milk thistle-based liver support**

- can be given with food
- easier to use than SAMe

- Especially beneficial for **pets taking prescriptions**

- **Competitively priced**

- **100% satisfaction guarantee**

Main ingredients:	M/L Dog	Cat/Sm Dog
Silybin	90mg*	45mg*
Bioflavanol	20mg	10mg
Zinc	2mg	1mg

*Up to 3x the amount compared with other veterinary liver support supplements.
