

GlucoGauge Blood Glucose Monitoring Kit

Henry Schein Animal Health is proud to offer our species specific Vet GlucoGauge Blood Glucose Meter as another high-quality, cost-effective alternative to the market's leading manufacturer brands.

- ✓ Specifically calibrated for cats and dogs with an easy one button switch between species – no species coding required
- ✓ It's the only pet meter on the market with positive visual confirmation of the species being tested
- ✓ Includes species-specific results and verification during testing, in the results screen and in memory
- ✓ Only a small sample size is needed (.3uL) and get test results in 5 seconds
- ✓ Accurate and precise results: Relative difference of 3.4% for dogs and -.2% for cats compared to the leading brand relative difference of 8.4% for dogs and 9.5% for cats*
