

# COB<sub>12</sub>BALEQUIN™

**SAVORY CHICKEN FLAVOR FOR DOGS & CATS—  
 SWEET COMPLIANCE FOR THEIR HUMAN PARENTS.**

Cobalequin contains an **oral cobalamin** form that is bioavailable and has been shown in studies to increase serum cobalamin concentrations in **dogs and cats**.<sup>1,2</sup>

COB <sub>12</sub> BALEQUIN™ Directions For Use		
COB <sub>12</sub> BALEQUIN™ PRODUCT	WEIGHT	CHEWABLE TABLETS PER DAY
For Cats & Small Dogs	<22 lbs	
For Dogs	22–100 lbs	
	Over 100 lbs	

*(Chewable Tablets NOT to scale.)*

COB<sub>12</sub>BALEQUIN™ is specifically and carefully formulated by Nutramax to provide cobalamin that is **STABLE** through the expiration date and delivered in a **TASTY** formulation for dogs and cats.

# With COBALEQUIN™, Veterinarians Can Offer A Harmonious Path To Best Practice<sup>3</sup>

- Giving a tasty Chewable Tablet is easy! And easy administration means **better** compliance.
- Pets can convalesce in comfort **at home**.
- Giving Cobalequin is a **bonding** opportunity for client and pet.
- Reduces the need to give additional injections to the pet.

## Current COBALEQUIN™ Recommendation

- Test serum cobalamin concentration.
- Daily Cobalequin chewable tablet administration for up to 12 weeks.
- Retest serum cobalamin concentration, 1 week after final administration.
