What To Expect – System Requirements

Audience:
All Express 222™ users.

System Requirements for using Express 222: (only 2 items)

1. PC running a minimum of Windows XP Service Pack 3 and Internet Explorer 7.0 or higher, in which your DEA-issued digital signing certificate is stored.

2. Express222™ automatically prompts the Digital Signature Plug-in to be configured in Internet Explorer. If the Digital Signature Plug-in is not installed, the Express222 website will prompt you to install the Plug-In via the Digital Certificate test.

Note: If you are running an older version of Internet Explorer, you can download the latest version (free) from the Microsoft Web site: http://www.microsoft.com/windows/internet-explorer/worldwidesites.aspx
